(taalpuzzel)

**Je leert**  
hoe je een verhaal  
kunt schrijven  
(fictief verhaal  
schrijven)

**1) Verhaal schrijven**

 **Kijk de video**

**1A. Bereid je verhaal voor.**

Bedenk zoveel mogelijk ideeën over wie, wat, waar en wanneer.

A large rectangular writing area with a red border and horizontal lines. The lines alternate between white and light pink. There are 20 rows of lines in total. On the left side, there is a blue dashed line extending from the middle of the page. On the right side, there is a blue dashed line extending from the bottom of the page.

1C. Lees het verhaal goed door. Kun je er nog iets bij verzinnen?  
Of zijn er nog fouten die je kunt verbeteren?

**1D. Schrijf het verhaal nog een keer zo goed en mooi mogelijk op.**

En bedenk een titel bij het verhaal. Je mag er ook iets bij tekenen.

Misschien kun je je verhaal wel door iemand anders laten lezen!

A large rectangular area with horizontal lines for writing, alternating between white and light pink background colors. The lines are evenly spaced and cover most of the page's width and height.

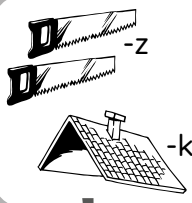

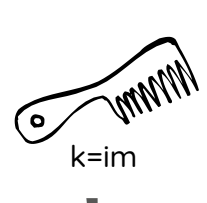

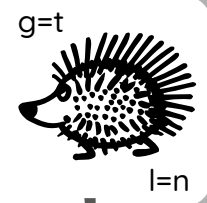

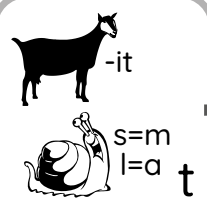

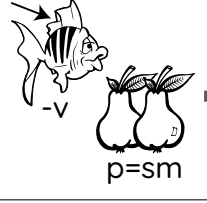

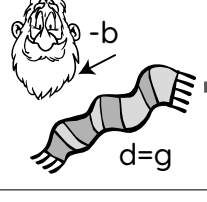

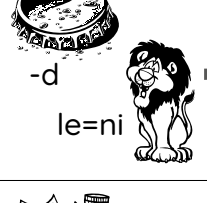

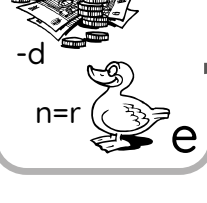

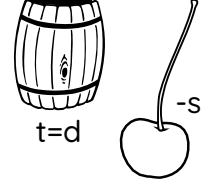

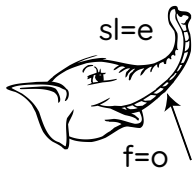

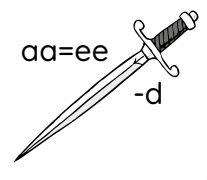

Lined writing area with alternating shaded and unshaded horizontal bands.
